As we move into this season of building on the land, we'll be certainly stirring up some hungry appetites. Help contribute to a compilation of meals successfully served at Destiny (or other gatherings). The book will serve as a guide to prospective kitchen queens for gatherings at Destiny and abroad. In addition it could be an excellent fund raising tool, sold at gatherings and on the net. Contributions will go to Destiny's building fund. Of course, Destiny's history, philosophy, love would be incorporated into the pages. Anecdotes surrounding the debut of meals would be welcome. For instance, the food mandala made the night of Lex's Guatamalan feast. Outfits worn etc. David will be responsible for organizing submitted recipes, photos, illustrations into a chapbook. So send your recipes (they should specify serving size and food stuffs), photos, illustrations to cookbook@faeriecampdestiny.org When sending recipes think about the seasonal availability of items and when the recipe is best served: breakfast, lunch, dinner, snacks, dessert, etc)
